First Grade News and Notes

NOTES

First grade has decided to do away with having snack in the afternoon mostly because it is so close to going home time that it really makes it hard to complete the end of the day tasks. If your child has a birthday and you would like to send for it please let us know a day or so before so we can prepare.

WHAT WE ARE LEARNING

Math- Graphing, data and representation.

Reading- Comprehension and understanding of what we read. Asking questions as we read to better understand what we read. Reading both fiction and nonfiction text.

Science- phases of the moon and types of clouds.

UPCOMING EVENTS

Our outside play days are usually Monday and Friday of each week. Even if the weather is cold but not raining, we will go outside. Please check to see if your child has a coat or jacket to wear on these days.

There will be no school on Monday, Jan. 18th and as of now Tuesday, Jan. 19th is a workday.

Mclass testing will begin on Monday, Jan. 11.
