

# Time

### What is it?

A time to...

- receive tutoring
- receive enrichment
- catch up on missed work
- see your school counselor
- participate in clubs, intramurals, and other extra curricular activities

### During T Time students should...

- go to tutoring to get extra help
- make up work
- study alone or form study groups
- attend club meetings or intramurals
- attend a class led by counseling
- participate in enrichment activities

## **Benefits to Students**

- Students can:
  - attain greater academic success
  - receive tutoring during the school day
  - create a study group
  - catch up on missed work
  - confer with a school counselor
  - participate in clubs, intramurals, and other extra curricular activities

  - -Honors students who should have an A

### What if T Time is not required for a student?

#### **Quiet Spaces**

- -Media center
- -Several open classes for study hall
- -D building open computer lab
- -Teacher classrooms with permission

### What if T Time is not required for a student?

### **Open Areas**

- –Cafeteria (snacks available for purchase)
  –Lobby
- -Outside cafeteria / F building area

### Why is this better than Smart Lunch?

- Smaller student teacher ratio
- Simple tutorial schedule
- Availability of daily designated study hall areas
- Adds breaks including mid-morning snack break and movement to school day (not one giant chunk in the middle of the day)
