Attendance Policy:

Haywood County Schools' policy #4400 specifies that a student with more than six (6) absences in a block course during a semester will not receive credit for that class. In order to be counted present for a class, the student must meet the attendance requirements established by the school.

Any student absent more than six (6) days, excused or unexcused, in any class in a semester will need to follow the protocol below to ensure they do not fail due to attendance.

- Students with greater than 6 absences, but less than 10 absences will need to complete make-up time for absences 7, 8 and 9 during the attendance make-up blocks provided by the school.
- Students with 10 or more absences must make up time for absences 7, 8 and 9, and complete an appeal form to be considered by the attendance appeal committee.

Tardy Policy

Students arriving late cause a disruption, which takes away from other students as well as their own education. When a student is late to school, he/she is to report to the ISS Room (L3) to sign in and receive an admit slip. Once a student exceeds 6 please refer to Student Handbook procedures for the next steps
