Two Plus Two Engineering Program at UNCA—

The Two-Plus-Two Engineering Program allows students interested in one of 14 different engineering fields to complete their first two years of study at UNC Asheville and then transfer to NCSU for the remaining two years. Engineering courses offered during the first two years are taught by NCSU faculty. Students graduate with a Bachelor of Science degree in a specific field of engineering from NCSU. More information is available at www.unca.edu/engineering.
