Advanced English IV Description, Requirements, and Application

The Advanced English IV course features challenging reading assignments along with an emphasis on analytical reading. Independent literary analysis is expected of a student in this course. Because of the difficulties of this class, Advanced English IV carries a one-quality point bonus (an A is worth 5 points, rather than 4, for calculating GPA).

By signing below, you indicate that you, both student and parent(s), understand the challenges and requirements of this class.
