CODE 6

Faculty, attached is our Code 6 list for our upcoming Curriculum In Action Trip to Moody Air Force Base in Valdosta, GA. These cadets will be gone next Tuesday, April 7th through Thursday, April 9th. They're going to get an inside look at an Air Force Base, from top to bottom. Aside from the "eye candy" attributes that draw their attention, we strongly emphasize the leadership and pursuit of excellence aspects--that what they're seeing is the result of discipline, teamwork, and setting long-term goals.

Please note that **ONLY** the cadets on this list should be going on the trip. I have strongly reminded them they must complete any required makeup work before the trip.

Don't hesitate to contact me with questions (456-2450). As always, many thanks for your support to these cadets.

Thx. Lt Col Brown
