## **Clyde Elementary Title I Parent and Family Engagement Policy**

Parents and Guardians are a child's first teacher. The continued engagement of parents and guardians in the education of a child is most important in fostering and improving educational achievement.

**Clyde Elementary promotes two-way, meaningful communication involving student academic learning and other school activities by:**

- Encouraging parents and guardians to be actively involved in their child's education at school by becoming members of the (PTA) Parent/Guardian Teacher Association, volunteering in classrooms and/or schoolwide activities, and attending required conferences throughout the school year.
- Including parents and guardians as full partners in their child's education as appropriate, in decision making by serving on the School Improvement Team and/or serving on the Haywood County Parent Advisory Council to assist in the education of their child.
- Supporting parental engagement in the Title I program.
- Sending weekly phone call updates.

### **Clyde Parents and Guardians are:**

- Informed about Title I at the Clyde Elementary Open House meeting.
- Provided copies of system and school policies relating to parent involvement during the opening of school.
- Involved in the discussion of the Parent/Teacher/Student Compact with teachers highlighting shared responsibilities for student learning.
- Provided with opportunities to better understand their child's curriculum.
- Provided materials and support to help their children at home.
- Provided with a flexible number of meetings and meeting times to make it convenient to attend.
- Communicated within a timely manner concerning academic progress, classroom events, school wide policies, programs and activities.
