

SIT Meeting – April 2, 2015

Members Present: Mandy Williamson, Sandra Smith, Nicole Revis, Becky Pope, Carol Clarke, Rosemary Rogers, Kathleen Morgan, and Marylee Sease.

Items of Discussion:

School Improvement Plan

- The Universal Breakfast program is being monitored by HCS and the government agency that manages this program. We could be audited at any time. Please make sure you are marking your breakfast sheets correctly and accurately. TAKE NOTE:
 - Students who are absent should not be marked as eating breakfast.
 - Please mark absent students as “absent” on this breakfast sheet.
 - If a child doesn’t eat breakfast, don’t mark that they ate breakfast.

It is a federally monitored program and if discrepancies are found we would have to pay money to make up the difference (out of our Hazelwood school funds).

Submitted by Carol A. Clarke
